Things you will need:

- 1/2 sheet of white paper
- Sparkly or colored paper
- Ribbon
- Black marker
- Scissors
- Glue

What to Do:

Step 1: Cut a rectangle out of your card stock. Make the corners rounded. This will be the body of your unicorn.

Step 2: Next, cut out four small rectangles. These will be the finger holes for the puppet.

Step 3: Now, cut out the neck and the head of the unicorn from your white paper as shown here.

Step 4: Stick the head of the unicorn on the body. Glue a triangle shaped horn and use your black marker to draw the face.

Step 5: Cut your ribbon into small strands and glue them on as the unicorn's mane and tail. If you don't have ribbon, you could also use bits of paper for this.
