Things you will need:

- Construction paper
- Print out of dragon's head/tail
- Straws
- Glue
- Markers or Crayons
- Scissors
- Skewers or sticks

What to Do:

Step 1: Use your crayons or markers to color the dragon face and tail from the print out sheet.

Step 2: Cut out the dragon's head and tail and then gently fold them in half.

Step 3: Cut a thin strip of construction paper and accordion fold it (folding back and forth like the photo above.) The "accordioned" construction paper will be the bridge between the head and the tail of our dragons.

Step 4: Attach your sticks or skewers to the head and tail of your dragon with glue.

Step 5: After your dragon has had time to dry, go and dance with your dragon!
